East Stroudsburg Area Senior High School North

Information Literacy for the 21st Century

To: All Faculty

From: Susan Wilson, librarian

Re: Library Services

Date: September 29, 2000

The library staff looks forward to providing resources in a comfortable atmosphere to support the high school curriculum. This year, **Mrs. Camille Bigio** will be working in our library the first half of the day.

As this year progresses, I will keep you informed of any resources we receive. If you have any questions about the attached information stop down in the library and I will try and help you.
